

COURSE NUMBERING SYSTEM

Courses numbered 400-499 are open to both upper division undergraduate and graduate students. Courses numbered 500-599 are considered graduate coursework but may not count toward the 30 hour minimum for the Masters degree. Courses numbered 600-999 are regular graduate courses counted toward the graduate degree.

Effective Fall 2015, implementation of changes in the course numbering system occurred. Students should always discuss with the graduate advisor any concerns or questions about the graduate numbers.
