Our goal is to assure that our students have the knowledge and skills to enable them to succeed in general management and leadership roles and to contribute to the success of their organizations and their local and regional economies. Specifically, Washburn MBA graduates will be able to identify, gather, and analyze relevant information, in order to make effective decisions and improve organizational processes.

MBA Program Vision

Washburn MBA graduates will be able to identify, gather, and analyze relevant information in order to make effective decisions and improve organizational processes.

MBA Program Description

The Washburn Master of Business Administration (MBA) program is designed for the business professional who desires to combine an existing career with formal educational development. The Washburn MBA program began in 1982 and presently graduates between 30 and 40 students per year. Washburn MBA students and graduates are employed at all of the major businesses in Topeka, throughout the region and internationally. International students comprise about 25% of the usual MBA cohort.

Broad in nature, the Washburn MBA program aims at producing general competence for overall management of corporate enterprises, public and governmental organizations, health and educational institutions, and entrepreneurial ventures. Courses are taught in state-of-the-art facilities by faculty who are academically and professionally qualified. Admission and initial enrollment can be for the fall, spring, or summer. Each in-person/virtual class meets one night a week (Monday – Thursday) for two and one-half contact hours. Students have the option to attend any in-person course virtually via live broadcast. The Washburn MBA program also offers select courses asynchronously online. If desired, a student could complete the entire MBA program from anywhere via a combination of virtual live broadcast and asynchronous online courses.

The MBA 3+2 Option: This option is available to qualified, currently enrolled students meeting certain criteria and pursuing an undergraduate BBA degree within the Brenneman School of Business to start taking graduate-level MBA courses in their senior year. Students with a declared major within the Brenneman School of Business may apply and be accepted to the MBA program during their junior year at Washburn. After completion of 90 undergraduate credit hours and achieving senior status, students may begin taking graduate courses in the MBA program along with their final 30 hours of undergraduate coursework. The Bachelor of Business Administration degree and the Master of Business Administration degree will be granted upon completion of each program's

respective requirements. Please see MBA 3+2 option requirements for admission below.

Note: In certain cases, at the discretion of the MBA Director, it is possible for non-business current undergraduate students to begin taking select MBA courses simultaneously with remaining undergraduate courses during their senior year, including and if applicable, 500-level foundational Pre-MBA courses intended for the non-business undergraduate minor.

The Washburn University Brenneman School of Business and its Master of Business Administration and Bachelor of Business Administration degree programs are accredited by AACSB International - The Association to Advance Collegiate Schools of Business.

Academic Advising

All academic advising for MBA students is done by the MBA Director. MBA students are required to consult with the MBA Director every semester to decide the student's class schedule for the coming semester, in part to ensure that courses are taken when available as well as ensure a timely graduation. Permission for enrollment in any class for which the instructor/MBA Director feels the student's background and preparation are inadequate will be withdrawn. Foundation-level courses should be completed before upper-level courses are taken, unless special permission is granted. Students are expected to inform Washburn University and the MBA Director of any changes to their permanent and current address and contact information. International students must additionally inform the International Programs Office of these changes. Students are expected to check their Washburn University e-mail regularly, as official communications, including all enrollment information, will be sent to the Washburn University e-mail address.

Academic Status: Full-Time and Part-Time Graduate Student

Full-time and part-time status of graduate students during the fall and spring semesters are calculated as follows:

Semester Hours	Status
9 or more	Full-time
8	Three-quarter time
5 to 7	One-half time
1 to 4	One-quarter time

Grades

The symbols used in grading are as follows:

Grade	Description	Grade Points
A	Excellent	4
B	Well above average	3
C	Average	2

D	Below average	1
F	Failure	0

No grade below “C” is acceptable for graduate credit.

To graduate, MBA students are required to have at least a 3.0 grade point average in all graded upper-level courses. At least 30 upper-level hours (courses numbered 600 and above) must be taken on a graded basis, including all required upper-level courses. For all upper-level courses, a student will be allowed to have a maximum of two courses with a grade of “C” included in his or her MBA program. A student receiving a grade of “C” or below in an upper-level MBA course may retake the course, but only one time.

Incompletes

In accordance with Washburn University policy, incomplete grades (“I”) may be given when most of the work for the course has been completed (approximately 75%). In order for a grade of incomplete (“I”) to be turned into a letter grade, all the required course work must be turned in by the end of the regularly scheduled classes within one year of the date the incomplete was given. Otherwise, the incomplete grade will be converted to a grade of “F.” Students must complete all “I” grades in order to graduate from the University.

Probation and Dismissal

Students are placed on academic probation whenever the upper-level grade point average falls below 3.0, or whenever a grade below “C” is earned in a foundation-level or upper-level course. Only two “C” grades are permissible in the entire upper-level program (600 level courses). Students on academic probation must work with the MBA Director to develop a plan of study to be restored to good standing in the next semester(s), subject to course availability. Different, stricter academic standards exist for provisionally admitted students. These specific standards will be communicated to the student in the admissions award letter.

- A course withdrawal or grade of “D” or “F” in any course, including foundation-level, results in automatic academic probation and the course(s) must be retaken the following semester or the immediate next semester the course is offered. If a course withdrawal or grade of “D” or “F” is earned the second time during a course repeat, the student will be dismissed from the program.
- Each course, including foundation-level and upper-level MBA program (600 level courses), can be re-taken only once.
- Any foundation-level course (below 600 level) must be completed with the grade of “C” or better. There is no limit to the number of “C” grades a student can earn in foundation-level courses.
- MBA students are allowed no more than two “C” grades in the entire 10-course/30 credit hour upper-level MBA program (600 level courses). In addition, the overall upper-level GPA cannot fall below 3.0, otherwise a student will be placed on academic probation with the possibility of dismissal. Significant improvement must be demonstrated and the corrective steps outlined to the student by the MBA Director must be successfully completed to be removed from academic probation.
- Students who continue on academic probation for more than one semester, unless otherwise planned, may be dismissed from the program at the discretion of the MBA Director.

Program Time Limits

A student may be awarded a Master of Business Administration degree after completing the requirements for the degree in effect when the student was fully admitted to the MBA program. The student may choose any subsequent catalog in effect within six years of the date of graduation. All course work must be completed within six (6) calendar years from the date of program admission, full or provisional.

MBA Admission Requirements

MBA 3+2 Option

Students can apply for the MBA 3+2 option during their undergraduate Junior year in the semester in which they will have met the following requirements:

Admission Requirements Include:

- Admission to the Washburn Breneman School of Business with a declared major.
- Completion of 90 undergraduate credit hours by the semester beginning the MBA 3+2 option.
- Completion of MA 116 College Algebra or equivalent, MA 140 Statistics, EC 200 Principles of Microeconomics, EC 211 Statistics for Business and Economics, AC 224 Financial Accounting, AC 225 Managerial Accounting, BU 250 Management Information Systems, BU 342 Organization & Management, BU 360 Principles of Marketing and BU 381 Business Finance prior to beginning the MBA 3+2 option.
- 3.0 or higher cumulative undergraduate grade point average at the point of applying for the MBA 3+2 option.
- Note: In certain cases, at the discretion of the MBA Director, it is possible for non-business current undergraduate students to begin taking select MBA courses simultaneously with remaining undergraduate courses during their senior year, including and if applicable, 500-level foundational Pre-MBA courses intended for the non-business undergraduate minor.

How to Apply:

- Submit a completed online MBA program application for the term in which a student intends to begin the MBA 3+2 option.
- Arrange for one letter of reference to be submitted by academicians, employers, or other individuals who can attest to the applicant’s potential for success in graduate study in business.
 - MBA 3+2 option applicants automatically qualify for a Graduate Management Admission Test (GMAT) waiver.
 - MBA 3+2 option applicants are not required to submit an unofficial or official undergraduate transcript as part of the MBA application process.
 - MBA 3+2 option applicants are not required to pay an MBA program application fee.

Admitted 3+2 Student Requirements:

Prior to enrollment opening for each upcoming semester, MBA 3+2 option students must consult with the MBA Director to determine MBA course selection. Undergraduate course/BBA program requirements are prioritized before MBA program requirements. All necessary undergraduate courses must first be confirmed with the undergraduate advisor prior to enrolling in MBA courses. Prior to the upcoming semester’s enrollment, MBA course selection and allowable number of 600-level credit hours is at the discretion of and requires the approval of the MBA Program Director. Students cannot deviate from the course plan without prior approval from the MBA Program Director.

Students admitted to the MBA 3+2 option must maintain a cumulative undergraduate Washburn grade point average of 3.0 or higher for remaining undergraduate coursework taken simultaneously with graduate-level MBA courses to be considered in good standing. Additionally, a cumulative 3.0 or higher graduate-level cumulative grade point average must also be maintained in all 600-level MBA courses taken to be considered in good standing. If a student's cumulative undergraduate grade point average after admission to the MBA 3+2 option falls below the 3.0 minimum, the student is placed on academic probation and given a specified amount of time, usually one semester, to return to good standing. In certain cases, the MBA Program Director may grant additional probationary semesters. A student who fails to return to good standing/meet the terms of academic probation is subject to dismissal from the program.

Prospective 3+2 students are advised to meet with the University Financial Aid Office to discuss any potential impacts to undergraduate financial aid prior to applying to the 3+2 MBA program.

Prior to applying, students athletes must first seek clearance from the Washburn Athletics compliance office to ensure 3+2 early admission is possible due to undergraduate NCAA regulations. Additionally, athletics undergraduate scholarship/aid could be impacted if a 3+2 student is enrolled in fewer than 12 undergraduate hours.

In addition to the undergraduate cumulative GPA requirements listed above, students are placed on academic probation whenever the upper-level (600-level MBA course) grade point average falls below 3.0, or whenever a grade below 'C' is earned in an upper-level 600-level MBA course. Only two 'C' grades are permissible in the entire upper-level program (600-level MBA courses). Students on academic probation must work with the MBA Director to develop a plan of study to be restored to good standing in the next semester(s), subject to course availability.

- A course withdrawal or grade of 'D' or 'F' in any course, including undergraduate-level, results in automatic academic probation and the course(s) must be retaken the following semester or the immediate next semester the course is offered. If a course withdrawal or grade of 'D' or 'F' is earned the second time during a course repeat, the student will be dismissed from the program.
- Each upper-level MBA program (600 level courses), can be re-taken only once.
- MBA 3+2 option students are allowed no more than two 'C' grades in the entire 10-course upper-level MBA program (600 level courses). In addition, the overall upper-level 600-level and the undergraduate level GPA cannot fall below 3.0, otherwise a student will be placed on academic probation with the possibility of dismissal. Significant improvement must be demonstrated and the corrective steps outlined to the student by the MBA Director must be successfully completed to be removed from academic probation.
- Students who continue on academic probation for more than one semester, unless otherwise approved, may be dismissed from the program at the discretion of the MBA Director.

Financial Aid Implications for 3+2 Students:

- 3+2 students must be enrolled in 6+ undergraduate hours in order to receive any undergraduate-specific federal aid or loans. Student must be enrolled in 12+ undergraduate hours to receive any general university academic scholarship awarded through the Financial Aid Office or certain departmental scholarships outside the Brenneman School of Business. If the student is enrolled in 6-11 undergraduate hours only, regardless of the number of graduate hours enrolled, the financial aid awards and possibly certain departmental scholarships

will be reduced to a pro-rated amount based on a less than full-time undergraduate course load.

- Brenneman School of Business departmental scholarship award amounts will not be based solely on undergraduate hours. **Note:** Brenneman School of Business departmental scholarships will be pro-rated to a reduced amount only if a student is enrolled in fewer than 12 undergraduate and graduate hours combined.

Standard MBA Program Admission Requirements

To be considered for MBA admission, a domestic student must:

Files are considered complete when the application and all supporting documents, including reference letter, have been received by the MBA Director, Brenneman School of Business.

These students will advance directly into the 10 course/30 credit hour upper-level core MBA program. MBA program general academic performance, probation, and dismissal policies for admitted students regarding 600-level courses apply.

Students without a BBA Degree

*Students in this category who otherwise meet or exceed a 3.0 GPA (2.8 GPA for Washburn graduates/AACSB accredited business school graduates) will be considered 'admitted' on contingency of satisfactory completion of any assigned foundational-level courses.

2b.) The student must complete up to nine credit hours/three foundational-level pre-MBA courses with a grade of 'C' or better prior to taking 600-level courses in the core MBA program. Foundational-level course requirements will be determined by the MBA Director through transcript analysis. Foundational-level courses (or equivalents) previously taken and successfully completed with a grade of 'C' or better will be waived. Under limited circumstances at the discretion of the MBA Director, 600-level courses may be taken simultaneously with any needed foundational courses. These simultaneous 600-level courses will be determined and assigned by the MBA Director. MBA program general academic performance, probation, and dismissal policies for admitted students regarding foundational-level and 600-level courses apply.

Provisional Admission: Domestic Students
