

# CAMPUS TELEPHONE DIRECTORY INFORMATION

---

Listings in the online student directory are compiled from information supplied by students to the University.

- The student is responsible for updating and providing correct information for online directory listings.
- Information may be updated at any time during the year.
- The online directory listings are updated daily.
- To update online directory information, go to the Directory Information card on MyWashburn.
- Currently enrolled students may choose to withhold information from the online university directory.

Students who withhold information from the online university directory are not “opting out” of the disclosure of directory information as permitted by FERPA. Students must complete a form in the Student One-Stop to “opt out” for that purpose.
