

# ART HISTORY, MINOR

---

A minor in Art History is designed to deepen the student's knowledge of material culture, an interdisciplinary study that complements other areas within the University. Students can expect to sharpen their skills in analysis and communication. The minor must be planned with the aid of art history faculty.

An art history minor consists of 18 hours of art history coursework. In order for the minor to both provide an overview of the discipline and offer opportunities for focused study at the upper-division level, the following guidelines must be met:
