

BIOLOGY, MINOR

Minor Requirements

(optional minor for the Bachelor of Arts degree)

To minor in Biology the student must contact the Department and be assigned a Biology advisor. The 17-hour minimum must be met with course work appropriate for Biology majors with at least 7 hours of upper-division biology coursework. No fewer than 7 hours of this minor must have been completed at Washburn University. Students must have a grade of C or better in each course taken to fulfill the minor.
