## P-12 PHYSICAL EDUCATION TEACHING, BED

The Bachelor of Education in P-12 Physical Education Teaching is designed for undergraduate students desiring to teach and coach in the public school system. This degree is completed in conjunction with the Washburn University Education Department and prepares students to obtain their Kansas Teaching Licensure. Students must complete the Education Department Professional Education Requirements and be admitted into the Professional Teacher Education Program through the Education Department (36 credits) for degree completion. For admission requirements, see the Education (https://catalog.washburn.edu/undergraduate/college-arts-sciences/education/) section in this catalog specific to Degree Seeking Students (https://catalog.washburn.edu/undergraduate/school-applied-studies/education/#admissiontext).

In addition, a P-12 Physical Education Teaching Licensure program is offered for students who have graduated with a non-teaching degree in any discipline and want to pursue a licensure program in Physical Education. Students should work with a Kinesiology Department faculty advisor to determine specific KN Major requirements needed based on credits from their non-teaching degree. They will need to complete Education Department Professional Education Requirements and be admitted into the Professional Teacher Education Program through the Education Department (36 credits). For admission requirements, see the Education (https://catalog.washburn.edu/undergraduate/collegearts-sciences/education/) section in this catalog specific to Licensure Only Students (https://catalog.washburn.edu/undergraduate/schoolapplied-studies/education/#admissiontext).

## **Degree Requirements**

In addition to the requirements stated below, students must complete 34-35 hours of General Education (https://catalog.washburn.edu/undergraduate/programs-degrees-graduation-requirements/general-education-requirements/), all requirements for a Bachelor of Education (https://catalog.washburn.edu/undergraduate/college-arts-sciences/degrees/bachelor-education/) degree, and any additional hours needed to reach the minimum 120 credit hours required for graduation. Some of the courses below may also fulfill general education or other degree requirements. Current CPR/First Aid/AED Certification is required at time of graduation. Please see your advisor for more information.

Students seeking certification to teach Physical Education must also be formally admitted to the University's Professional Teacher Education Programs (https://catalog.washburn.edu/undergraduate/school-applied-studies/education/#admissiontext).
