# HEALTH INFORMATION TECHNOLOGY, AAS

This program leads to an Associate of Applied Science (AAS) degree in Health Information Technology. The program features a sound base in general education in addition to professional courses and professional practice experience designed to guide students in the development of the technical skills necessary to become a Health Information Technician. Courses in the program major are on-line and students must have access to the internet and possess basic computer knowledge.

## Accreditation

The Health Information Technology Associate degree Program is accredited by:

The Commission on Accreditation for Health Informatics and Information Management Education (CAHIIM) 200 East Randolph Street, Suite 5100 Chicago, IL 60601 www.cahiim.org (http://www.cahiim.org)

### **Program Mission**

The Health Information Technology program is focused on the development of qualified health information technicians who meet the demands of the health care industry through technical competence and professional conduct.

#### Washburn University Assessment – Program Student Learning Outcomes

Upon completion of the program students will be able to:

- PSL0 1: Demonstrate entry-level HIM (health information management) competencies.
- PSLO 2: Demonstrate the technical proficiency in all skills necessary to fulfill the professional discipline of health information technology.
- PSLO 3: Demonstrate professional behavior consistent with employer expectations in the professional discipline.

# **Admission Requirements**

This program has special admission requirements. Interested students should contact the Allied Health Department for specific requirements or visit https://www.washburn.edu/academics/college-schools/ applied-studies/departments/allied-health/hit/index.html (https:// www.washburn.edu/academics/college-schools/applied-studies/ departments/allied-health/hit/).

# **Degree Requirements**

In addition to the requirements stated below, students must complete 15 hours of General Education (https://catalog.washburn.edu/ undergraduate/programs-degrees-graduation-requirements/generaleducation-requirements/) and all requirements for an Associate of Applied Science (https://catalog.washburn.edu/undergraduate/ programs-degrees-graduation-requirements/university-requirementscommon-all-associate-degrees/) degree. Some of the courses below may also fulfill general education or other degree requirements. Please see your advisor for more information.

Code	Title	Hours
Required Courses Inside Department <sup>1</sup>		
AL 101	Foundations of Healthcare	3
AL 141	Medical Terminology	3
AL 150	Principles of Health Information Technology	3
AL 157	Specialized Records & Registries for Health Information Technology	2
AL 240	Professional Practice I for Health Information Technology	2
AL 241	Professional Practice II for Health Information Technology	3
AL 244	Healthcare Statistics - Health Information Technology	2
AL 245	Health Information Coding I	3
AL 246	Health Information Coding II	3
AL 247	Healthcare Reimbursement Methods	3
AL 250	Seminar in Health Information Technology	1
AL 320	Human Disease	3
AL 366	Legal & Regulatory Issues for the Health Care Professional	3
AL 367	Foundations of Quality Improvement in Health Care	3
AL 375	Health Care Policy	3
AL 399	Health Information Systems	3
Subtotal		43
Required Course	es Outside Department <sup>1</sup>	
BI 230	Introduction to Human Physiology <sup>2</sup>	3
BI 250	Introduction to Human Anatomy <sup>2</sup>	3
CM 101	Computer Concepts and Applications	3
MA 112	Contemporary College Mathematics	3
WU 101	The Washburn Experience	3
Subtotal		15
Total Hours		58

<sup>1</sup> Students must receive a C or better in each course.

<sup>2</sup> BI 100 is a required prerequisite for this course.
