DESIGN TECHNOLOGY, AA

The Design Technology Associate of Arts degree is offered with the Washburn Institute of Technology (Washburn Tech). Students who have completed all requirements of Washburn Tech's Graphics Technology Certificate C program are eligible for this degree.

Student Learning Outcomes

Students completing the associate degree in Design Technology, upon graduation, are expected to have:

- Demonstrated proficiency in the use of all technologies essential to the design concentration.
- Developed relevant design techniques to produce applied outcomes.
- Demonstrated professional applications in applied settings.
- Integrated skills and knowledge to situations or environments other than standardized classroom setting.

Degree Requirements

Graphics Technology Emphasis

This program requires completion of Graphics Technology from Washburn Tech Certificate C program, 34-35 hours of General Education (https://catalog.washburn.edu/undergraduate/programs-degrees-graduation-requirements/general-education-requirements/), and all requirements for a Design Technology Associate of Arts (https://catalog.washburn.edu/undergraduate/programs-degrees-graduation-requirements/university-requirements-common-all-associate-degrees/) (AA) degree.
