

BCJ, SECURITY ADMINISTRATION EMPHASIS

The Security Administration major is interdisciplinary in nature, emphasizing practical issues and theoretical concepts related to security, safety, fire, crime prevention, investigations, law enforcement and the social sciences. This program is designed to prepare students for professional and managerial employment in security, investigations, loss prevention, and risk management positions in business, industry, government agencies and non-profit organizations. This program is designed for both personnel already employed in criminal justice and pre-service students interested in careers in security.

Additional Student Outcomes

In addition to the core criminal justice program student learning outcomes, students who graduate with a security administration major are expected to be able to:

- Analyze crime control and prevention theories that are relevant to the security administration industry.
- Identify and describe key historical developments in security administration in the U.S. and how current policy and practice is informed by those developments.
- Demonstrate critical thinking and problem solving skills to adapt to the needs of the security administration industry.

Degree Requirements

In addition to the requirements stated below, students must complete 34-35 hours of General Education (<https://catalog.washburn.edu/undergraduate/programs-degrees-graduation-requirements/general-education-requirements/>) and any additional hours needed to reach the minimum 120 credit hours required for graduation. Some of the courses below may also fulfill general education or other degree requirements.

In addition, all Criminal Justice majors must complete a complementary minor, certificate, or additional major; students must declare this with the department that grants this. Please see your advisor for more information.
