

FAMILY & HUMAN SERVICES - ADDICTION COUNSELING EMPHASIS, BAS

Please refer to the Graduation, Degree and General Education Requirements (<https://catalog.washburn.edu/undergraduate/programs-degrees-graduation-requirements/>) section to learn about the university and general education requirements to graduate with a Bachelor's degree. This curriculum provides the educational requirements to become a Licensed Addiction Counselor (LAC) with the state of Kansas.

Degree Requirements

In addition to the requirements stated below, students must complete 34-35 hours of General Education (<https://catalog.washburn.edu/undergraduate/programs-degrees-graduation-requirements/general-education-requirements/>) and any additional hours needed to reach the 120 credit hours required for graduation.
