

# ENTREPRENEURSHIP, CERTIFICATE

---

The Certificate in Entrepreneurship program is open to all students from all majors at Washburn University. It is designed for the student who seeks to be an entrepreneur in a start-up venture, operate a family business, or work as an entrepreneurial change agent within a corporate setting.

Students should notify the Brenneman School of Business of their intent to pursue the certificate and consult with a Brenneman School of Business advisor regularly. The awarding of the Certificate in Entrepreneurship is independent of the graduation date of degree-seeking students. **Note:** Due to Federal regulations, students completing the certificate independently from a Washburn degree program will not be able to receive federal financial aid for the certificate program.

## Certificate Requirements

The certificate program requires four three-credit-hour courses. A **grade of C or better** must be earned in each course used to satisfy the requirements of the certificate.
