

# RN TO BSN

The Online RN-BSN Program at Washburn University Hines School of Nursing is designed specifically for registered nurses seeking to earn a Bachelor of Science in Nursing (BSN) degree. The program offers affordability and flexibility.

- Courses are offered online in 8-week sessions.
- Students may complete the program in 2 years.
- A minimum of 120 credit hours is required for graduation.
- At least 30 hours must be completed at Washburn University.
- Courses completed at other accredited institutions are considered for transfer, provided the grade received is "C" (2.0) or above.
- Students are awarded 33 credit hours with successful completion of the NCLEX-RN examination.

## RN Articulation Advisement and Admission Procedures

Successful completion of the online application package inclusive of the following requirements is necessary for admission:

- Washburn University and RN-BSN Program applications
- Graduate of an approved/accredited associate degree or diploma nursing program
- Official transcripts from each higher education institution attended
- Minimum cumulative GPA of 2.5 on a 4.0 scale
- Copy of current active, unencumbered, valid license as an RN in the state of residency
- Completion of all required prerequisite courses with a grade of C or better

Applications for Fall session admission are due by July 1. Applications for Spring session admission are due by December 1. Potential candidates must complete all application materials to be considered for admission. A final degree check is made by the Student Compliance and Operations Director and the Registrar's office prior to graduation to determine eligibility for graduation based on completion of all general education and nursing requirements for the degree Bachelor of Science in Nursing.

## Degree Requirements

Students will receive 33 hours of credit for their ADN/RN. In addition to the requirements stated below, students must complete all Nursing specific prerequisite courses, 34-35 hours of General Education (<https://catalog.washburn.edu/undergraduate/programs-degrees-graduation-requirements/general-education-requirements/>) and any additional hours needed to reach the minimum 120 credit hours required for graduation. Some of the courses below may also fulfill general education or other degree requirements. Please see your advisor for more information.
